Case No. 15-30125

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY
AND DISCLAIMER REGARDING DEBTOR'S SCHEDULES OF ASSETS AND
LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

1. On January 16, 2015 (the "Petition Date"), the Debtor filed a voluntary petition with the United States Bankruptcy Court for the District of Minnesota (the "Bankruptcy Court") under Chapter 11 of title 11 of the United States Code (as amended, the "Bankruptcy Code"), and an order for relief was entered by the Bankruptcy Court. The Debtor currently is conducting its operations and affairs as debtors in possession under the Bankruptcy Code.

2. It would be prohibitively expensive, unduly burdensome, and inefficient use of estate assets for the Debtor to obtain current market valuations of all of its assets in connection with the preparation of the Schedules and Statement. Amounts ultimately realized from the disposition of such assets may vary from the amounts reflected in the Schedules and Statements, and such variance may be material. In addition, the amounts shown for total liability exclude items identified as "unknown" (including tort liabilities) and, thus, ultimate liabilities may differ materially from those stated in the Schedules and Statement.

3. A substantial portion of the Debtor's assets are subject to donor-imposed restrictions on use or disposition which may preclude the use of such assets, or proceeds thereof, to satisfy the claims of general creditors of the Debtor. Certain of these assets are described in the Debtor's response to question 14 of the Statement as assets held for another. Certain of these assets are not subject to a formal trust structure. While the Debtor used its good faith best efforts to identify restricted assets, the review of the Debtor's records is ongoing and may reveal additional restrictions. Accordingly, failure to identify an asset as restricted in these Global Notes does not constitute an admission by the Debtor such asset is unrestricted, and the Debtor expressly reserves the right to amend or supplement the Schedules and Statement, and these Global Notes, with new information regarding restricted assets as the same may become available.

4. Certain trust accounts identified by the Debtor include sums derived from other entities that are not debtors in this proceeding and may be subject to claims on the part of such entities. No admissions are made with regard to any such claims.

To indicate payments, transfers and the like to minor children, state the child's initials and the name and address of the child's parent or guardian, such as "A.B., a minor child, by John Doe, guardian." Do not disclose the child's name. See, 11 U.S.C. §112 and Fed. R. Bankr. P. 1007(m).
